**2018-2019 Junior High Confirmation Program - Saturday Class**

**WEDNESDAY CLASS SESSION TIME:** All regular Wednesday evening class sessions are held in your assigned St. Joseph school classroom from 6:30 to 8:00 PM, unless noted otherwise.

**ATTENDANCE POLICY:** To fulfill requirements for Confirmation, it is important students attend every session. We do realize that family circumstances and, unfortunately, illness warrant a valid absence. We respectfully request that students do not miss any class sessions/retreats/service projects/events due to sports practices, games, music lessons, play practice, homework, etc. It may be helpful to copy this schedule for coaches and teachers. Most are cooperative and understanding if they have a schedule in advance.

**MAKING up MISSED CLASS:** If a student has to miss a class, we request you contact the teacher to inquire which session was missed. The sessions build upon one another in the Ascension Press *Chosen* Program. It is appreciated and most helpful to your student if you, the parent, review any missed session with them.

**TO REPORT an ABSENCE:** If possible, please call by 5:00 PM. If we do not receive a call, and your child is absent, it is our responsibility to contact you to ensure the safety of all our students.
